Bohol Dolphin Watching and Snorkeling at Balicasag Island

An early morning boat trip to the sea waters southeast of Tagbilaran City on board a motorized outrigger boat. The sea waters around Balicasag Island is home to at least (6) species of whales & dolphins. If you are lucky, these whales maybe sighted between February to August. Also residents in the area are different species of Dolphins.

It maybe interesting to note that the crew & "spotters" for this tour are the former whale hunters, now trained "spotters" who gave up their traditional livelihood in favor of preserving the environment. Other activities in this tour includes swimming & snorkeling around Pamilacan Island, a village tour, picnic lunch.

Inclusions:

- Roundtrip boat transfer with Spotter
- Roundtrip hotel-tour-hotel transfers
- Lunch on beach resort
- Dolphin watching on pump boat
- Swimming and snorkeling
- Snorkel & Mask
- Entrance fees
- DOT Accredited tour guide

Important Notes:

- Bring extra clothes (shorts and t-shirt) beach sandals / slippers, towels, sun block
- Pick-up/Drop off beyond the designated hotels/resorts may require additional fees.
- Sperm Whale and Bryde's Whale may be seen during the months of **February** to August.
- Driver or Tour Guide Tip is not included in the package price and at your discretion. Other services not included in the tour will be charged to guests personal account accordingly.
